Adjustments to services provided on board

Please notice that it is currently only possible to make cashless payments on board.

Checked-In Baggage

If you have any baggage to check-in, take your bags to a drop-off desk.

Travel Documents

Please check that you have your passport or other necessary valid travel documents with you for the trip and present them at the boarding gate.

Passenger Notice

Please be aware that given the current situation, only passengers, crew members and other employees are allowed to access the terminals. We also request that you wear a face mask at the airport, during your flight and at your destination airport. If such masks are not worn, passengers may be denied boarding.
